

KVH Regional Coordinator Contact List June 2017

KVH recognises each kiwifruit growing region has unique needs according to their Psa-V status and risk of Psa-V infection. KVH has set up regional groups to support Psa-V management locally. Regional coordinators are appointed to develop action plans among the groups.

Regional coordinators report to KVH and are responsible for setting up meetings in local regions and facilitating actions between contractors, post-harvest operators and growers.

To contact the regional coordinator in your area, refer to the contact list below.

For regions not listed, please contact KVH on 0800 665 825 or email info@kvh.org.nz.

<i>Region</i>	<i>Contact</i>	<i>Phone</i>	<i>Mobile</i>	<i>Email</i>
Auckland / Franklin	Carol Craig	09 235 9671	021 623 596	carol.craig@slingshot.co.nz
